Suggested Content & Organisation of Blog

Your blog should probably have most of the following pages and sub-sections – *but not all blogs will be the same* and you can adapt this to your own personal requirements as long as you cover the essential areas in some way.

- HOME PAGE
  An introduction to your blog and your film

- FOUNDATION PRODUCTION

  PRELIMINARY EXERCISE
  (The 180 degree rule)

  RESEARCH

  > Inspirations
  > Initial Ideas
  > Final Idea
  > Genre & Conventions
  > Title Sequences
  > Audience
  > Institutions

  PLANNING (PRE-PRODUCTION)

  > SCRIPTING
  > > Scenario
  > > Screenplay
  > > Shooting Script
  > > Storyboard
  > > Scene Analysis

  > ACTORS
  > > Character specifications
  > > Auditions
  > > Final Selection

  > LOCATIONS
  > > Research
  > > Options
  > > Final Selections

PRODUCTION

       Shooting Schedule
       Call Sheets
       Props & Costumes
       Shooting Diary

POST PRODUCTION

       Editing
       Making the Sound Track
       Adding Music
       Adding Titles

EVALUATION

Answer Questions 1-7 as creatively as possible - particularly showing off your IT skills

The above content is required for the exam, but you can also use your blog to keep notes in preparation for the written exam and your final evaluation so I suggest you will need three other main sections...

- EVALUATION NOTES

- TEXTUAL ANALYSIS NOTES

- THE MUSIC INDUSTRY NOTES

A links section will also probably be useful...

- LINKS
